IC/82/3303
4 January 1982

MEMORANDUM FOR: Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology

FROM : Walter Elder
Executive Secretary

SUBJECT : Revision of DCID's

REFERENCE : 9 December 1981 Memo, Same Subject

1. Since my memorandum of early December on this subject, I have been unable to detect any movement. (U)

2. The Intelligence Community has now been officially alerted of the need to review the DCID's, and there is a stirring around the city. (U)

3. Admiral Inman stressed at the NFIB meeting on 22 December 1981 that this would be an orderly process and that the principals should make their views known to the undersigned. (U)

4. I am anxious that those with the primary interests retain the initiative, and I believe that the best way to generate some momentum is to provide a periodic status report to the DDCI and DCI. (U)

5. The first of these reports will go forward on 29 January 1982. Your contributions are requested by 26 January 1982. (U)
